**All represented DSC at this year's Midland Age Group Championships! What 🏆s!**

First, we must congratulate our six young swimmers on giving us a good performance at the Midland Championships over the weekend. It is a great achievement simply to reach this standard of competition, and a bonus to perform well at Coventry - not generally regarded as a 'fast' pool. Past results have shown that many of our swimmers do appear to favour the Corby pool. But you all deserve a pat on the back for the commitment you have all shown to your swimming and the effort you always give when racing, whatever the pool. The standard of competition this year at Coventry is extremely competitive but you all gave it your best shot, it's not easy swimming at a District Championships!

Congratulations to Isabel Spinley who swam 6 events, her highest place swim was in the 800m Freestyle where she finished in 9<sup>th</sup> place.

Our swimmers managed to improve considerably on their Long Course PBs 8 were achieved on this occasion. "Hooray"!

Good Luck for next weekend!
