9 x 25m Mixed Cannon Relay					

**Top Club 1st Co Lincoln P 235 2nd Louth 139 3rd Gainsborough 116.5 4th Deepings 111 5th Grantham 102.5**

Grantham Swimming Club was celebrating their 90th Birthday on Sunday 29<sup>th</sup> March, to mark the occasion they held a special Masters gala. We sent a small team to help them celebrate! Five teams took part but unfortunately we were unable to enter a swimmer in every category as the program had events for swimmers in their 50's & 60's, taking this into account we finished an admirable 4th place with 111 points . The gala culminated in a fun 9 x 25m cannon relay with swimmers from all clubs in mixed teams.

The Trophy was presented to City of Lincoln Pentaqua by Rita Baxter who at 79 is still swims!

Deepings swimmers had a excellent time Sam Dalton won the 50m Butterfly in her category in a time of 34.90, the last time she swam this event was back in 2013 at club champs! Emma Lund also won the 50m Butterfly in her category; her time of 35.71 was also a New County Masters Record in the 45-49 category - Congratulations!

**We need to congratulation all those swimmers that gained PBs they were:-**

Paul Smith-Shelton 50m Breaststroke

Emma Lund 50m Breaststroke

Heath Bulpit 50m Backstroke

Kirsty Scott 50m Freestyle

Gareth Roberts 50m Fly

Darren Smith 50m Breaststroke

I'm pleased to report that we also had 9 swimmers finishing in second place and 7 finishing in third place, which was excellent news! I'm told everyone enjoyed the event and that we might take a bigger team next year.

**Well Done Everyone!**
