

## **DEEPINGS SWIMMING CLUB – ON TOUR!**

**EINDHOVEN FRI 1 JULY TO MON 4 JULY 2016**

DSC will once again be attending the Netherlands International Invitational Gala. It's a great opportunity to compete with swimmers from various nations and the trip has been thoroughly enjoyed by our swimmers and supporters in previous years. The **Pieter van den Hoogenband Zwemstadion** in Eindhoven is a fabulous facility, with a 10 lane 50m pool, an adjacent 8 lane 25m pool for younger swimmers and ample spectator gallery on both sides and spanning both pools (if you have swimmers in both pools you can watch them from the same seat!). There is also a water park on the same site with leisure swimming indoors and out, and free use is usually included with your race package (available time will be restricted). Racing takes place on both days with warm ups commencing late morning and various race packages available. The program includes a good mix of 50's, 100's and 200's, and with so many lanes available there's very little waiting around.

We travel together as a large team, with an itinerary that reduces as far as possible any time away from work and school. Leave Deeping on Friday afternoon and arrive back Monday morning, using overnight ferry crossings with cabins for a comfortable journey.
