Welcome from the President

I am honoured and privileged to have been asked to become the Worcestershire County Swimming Association President for 2016-2017. I took over the Presidency very recently and, as ever, will rely on many people within the County for their help and support in our efforts to ensure County swimming events retain the high quality for which Worcestershire is well known. It is the training programmes which reveal competitive swimming talent and. I have seen many examples over the years and they continue to emerge with each passing year. I have, and shall continue to enjoy my local involvement, but I will also do my best to represent Worcestershire County, whenever called upon. I hope to visit as many clubs as possible within the county area to see at first hand the amazing contribution being made to our sport, by teams of totally committed, enthusiastic volunteers, on a daily basis. I hope and believe that the County Championships in 2016 will be better than ever. I know good young talent is everywhere, in evidence, and I look forward to seeing it in action throughout the year. I know I will not be disappointed and would like to join with every parent, teacher, coach and competitor, in wishing all County swimmers the best of good fortune and success in furtherance of their swimming careers. *Ray Evans WCSA President 2016-2017*

We have three special presentations.

Founders Prize

The founders prize arises following a bequest from the founder of Worcester County Swimming Association, Edgar Henry Summer in 1927. It has been awarded since 1968, he willed the sum of £10. This has been increased over the years and is currently £100.

We have highlighted the swimmers in the last 25 years who have gone on to compete at the Olympic & Paralympic Games, the junior and Senior International Level. What a fantastic roll call for a small county.
